Hi Mike,

We can definitely meet you at the McDonalds parking lot and I think it's a good idea. We'll plan to be there.

We've got all that safety gear and should be ready to go on Tuesday.

Thanks,

Scott

Hi Scott thanks for the message I was just about to contact Matt regarding next Tuesday. I plan to meet my staff in the McDonalds parking lot 7th @ Market St in West Oakland a few blocks away from Schnitzer at 8:30 – do we all want to meet there first then caravan over? By the way our Inspector told me the required **PPE** for next Tuesday will be: safety shoes/boots, safety vest, hard hat, eye protection, and ear protection (and particulates will be a potential so also a particulate mask may be handy for those who may be bothered by particulate?)

Thanks,

Hi Mike,

I am one of the inspectors going out next week and wanted to provide a few logistical details and make sure we're all on the same page. Mark and I are planning to leave the Region 9 office at 8:15 am Tuesday 7/23 and will hopefully arrive at around 8:35 am. Would you like to meet us outside the facility or nearby prior to entering the facility?

If you would like to discuss or have any questions feel free to give me a call or send an email.

Thanks,

Scott

Matt,

Hi this is Mike Wall I'm the Supervisor for Schnitzer I just found out I'll have 2 new Inspectors assigned 7/23 it would be beneficial for them to gain the experience of touring Schnitzer with us so that would make 4 total from BAAQMD in addition to yourselves would that be ok please?

Hi Tracy,

Thank you for checking. Yes, July 23rd works for my team. We were thinking 8:30-9 am arrival for Schnitzer and 1-1:30 arrival time for **Ex. 7(A)** Does that work? I cc'd Scott and Mark, our team. Please let me know if you have any questions.

Thank you,
Matt

Hi Matt,

Looks like the 7/23 works for all our staff for the [Ex. 7(A)] and Schnitzer inspection. Our Inspectors, Scott Applin (Schnitzer) and Bob Delarno [Ex. 7(A)] are available to accompany your team for the inspection. Please confirm the date and time for each inspection. I've cc'd Michael Wall, the Supervisor for Schnitzer, and Jeremy Kimball, the Supervisor for [Ex. 7(A)] in this email.
